To Whom It May Concern:

K-Love is the most inspirational and joyous station I've ever listened to. I listen to it always, never changing to another channel because I KNOW that it is safe for me and my children to listen to.

The most wonderful thing a mother can hear is her child singing one of the songs played on K-Love. My children do it all the time.

Whatever you are trying to do to K-Love, STOP RIGHT NOW!!!! There are many of us who would not listen to radio at all if it wasn't for K-Love.
